SCHENKERfairs – Exhibition Freight Handling Tariff

Exhibition freight handling tariff
General condition

§ 1

The exhibition freight handling tariff is valid for all operations and services undertaken on the Berlin exhibition ground and the ICC-Berlin by the official forwarding agents. This includes all on-site handling of freight and carrying out of all necessary formalities for both domestic and foreign shipments.

The Messe Berlin GmbH reserves the right to use the traffic control system with time-slots to be booked for unloadings and loadings via forwarding forklift service. On own shows of the Messe Berlin GmbH a booking of a time-slot is mandatory to book upfront for access to the venue.

§ 2

The official tariff will form the basis for all invoices by the official forwarders. Prices shown are maximum rates, Calculations 1cbm = 333kg, and exclude German VAT.

The administration charges cover planning and supervisory work carried out by the official forwarders (i.e. arranging and holding available sufficient labour and equipment, handling of empties / exhibition goods, etc.). Commission will be levied for non-pre-booked orders percental on the order value.

§ 3

In addition to the fairs and exhibition tariff all orders are undertaken strictly as per the "German Forwarders Terms and Conditions" (ADSp) latest issue. All orders of cranes and heavy load orders are undertaken as per the "BSK" – terms and conditions latest issue, copies of both terms are available on request.

§ 4

Shipments can only be accepted on a Freight Prepaid basis up to "free arrival exhibition ground Berlin." In order to ensure prompt delivery to stand it is imperative each individual package marked with exhibitor's name, the name of the exhibition together with the hall and stand number.

§ 5

Official Forwarding Agents Contractual Responsibilities and Liabilities.

The responsibility and liability for the freight ends once the goods have been delivered to the exhibitors stand, whether the exhibitor is present or not. In the absence of written instructions to the contrary, goods may be delivered to the stand commencing on the first day of the official build-up period.

The responsibility and liability for storage during the exhibition of empty packing materials and / or freight commence with collection of same from the exhibitors stand and ends when the material has been returned at the close of the exhibition. Under no circumstances are goods to be left in cases labelled for empty case storage. In such instances no liability can be accepted for such goods. Goods which are required to be storage during the exhibition are to be separately declared and labelled as such.

The responsibility and liability for freight at the close of the exhibition commences with its collection from the stand during the official dismantling period whether the exhibitor is present or not.

The surrendering of documents by the exhibitor at the Forwarders office and the acceptance of same does not constitute any admission responsibility or liability for freight which has not yet been collected from the stand.

If a booked time-slot was not used, the official freight forwarders are free to reserve the right to charge a penalty, usually 1 hour of 4tons forklift.

Exhibitors are recommended to take out transport and storage insurance for their goods, details of such insurance can be obtained from the official forwarders. Insurance cover over the storage of empty packing materials can only be obtained on special request from the official forwarder. The official forwarder cannot be held responsible for any verbal order or instructions given by the exhibitors directly to the labour force.

§ 6

The collection and storage of empty packing material is carried out by the official forwarder following receipt of a written order. The Building and Fire authorities do not allow the storage of empty packing materials in the exhibition halls. Should such materials be discovered following the end of the official build-up period, it will be removed by the official forwarders at the exhibitors cost even in absence of an official order.

Empty cases are to be clearly labelled and suitably secured for removal before being handed over to the official forwarder for storage.

§ 7

All claims of whatever nature must be made in writing at the forwarders office immediately. Verbal claims alone cannot be accepted.

§ 8

Forwarder invoices are payable upon receipt. The customer is deemed to be default (without warning or other preliminary action being required) at the latest 10 days after receipt of invoice. In case of such default the forwarder is entitled to charge interest as per the German Forwarders Terms and Conditions (ADSp).

§ 9

The sole place of performance for all contractual obligations is Berlin. The sole place of jurisdiction for the both parties in any lawsuit arising from such contracts is Berlin.

§ 10

This tariff takes effect as from January 1st 2024, at which date all previous tariffs are deemed to be invalid.
